City Ready To Answer Suit For Last Years Weed Abatement

JUSTO CAFFI, local manager of the Foothill TV Cable Company brings in the test pattern for one of the educational stations at Sierra Madre School. Through the efforts of Mr. Caffi, all Sierra Madre Schools now receive free TV Cable Service, so children of Sierra Madre can have the best in reception at all times. Foothill TV Cable is a division of H. and B. Communications Corporation.

Rebuilding The Trail

Editor's Note: Walter Houk, Southwest Editor of Sunset Magazine spent last Saturday photographing and gathering historical data on our new Sierra Madre Historical Wilderness Area. The story of the Little Santa Anita Canyon will appear in their May issue.

by BILLY WARK
(Cont. from last week)

The great mountain fire of 1924, followed by the hoof and mouth disease which quarantined the mountains, put an end to the popular hiking in the area. But the people of Sierra Madre and many others still wandered the trails to fish in the sparkling streams and enjoy the lovely scenes in both the Big and Little Santa Anita Canyons. With the building of the Chantry Flats Road between 1931-1935, the Sturtevant Trail from Sierra Madre to Chantry Flats fell into disrepair. People were turning to the old Mt. Wilson Trail.

On Christmas Day, 1953, the huge Monrovia Peak fire swept across the mountains above Sierra Madre, destroying much of the growth of the beautiful hillsides. The following winter rains washed huge sections of the trails away. The Sturtevant Trail was completely abandoned, and "Unsafe to Travel" signs were posted at top and bottom of the historic old Mt. Wilson Trail. But because of the beauty of the area many people ventured into the canyon and had to be rescued. Forest Service personnel considered taking the trail off the map.

With heavy hearts my wife, Betty, son Steve, and I

'Dolly' Lofgren Becomes Reporter

How can a college student gain practical experience in magazine publishing? Mademoiselle magazine has a unique program — its College Board — that enables women students to participate in the magazine's many activities. This year Sierra Madre will be represented on the Mademoiselle College Board by Mary Ellen Lofgren, 200 S. Sunnyside Ave., U. of Calif. at Irvine '69.

Each College Board member will have an opportunity to contribute to Mademoiselle and help the magazine keep abreast of campus trends. College Board members report regularly to Mademoiselle on events at their colleges, research articles and help Mademoiselle fashion editors select models for college fashion features.

Edward G. Frye Is Graduated

Hospitalman Apprentice Edward G. Frye, USN, son of Mr. and Mrs. Gardner Frye of 529 W. Highland Ave., graduated as honorman of his company upon completion of recruit training at the Recruit Training Command, U.S. Naval Training Center, San Diego.

He was selected on the basis of attention to duty, military conduct, responsiveness to orders, cooperation, loyalty and comradeship displayed during recruit training.

The recruit basic training period covers physical fitness, basic military law, military drill, customs and etiquette of the Naval Service, swimming and survival, first aid and a basic knowledge of shipboard routine.

Hilaire du Berrier

Truth About Civil Turmoil

Mr. Hilaire du Berrier, a former Far East specialist for the American OSS, author, and well-known world correspondent with 30 years experience in Asian affairs, centering on Vietnam, will address a public audience in Sierra Madre, on Tuesday, Feb. 28, at 8 p.m. in Sierra Madre Woman's Club, 270 W. Sierra Madre Blvd. His subject will be, "Vietnam — Why Not Win?"

Hilaire du Berrier is an American who knows Vietnam and has spent 30 years reporting on affairs from the Orient. His recent book, "Background To Betrayal — Tragedy of Vietnam," published in 1965, has become a handbook for understanding the Vietnam war.

In developing his subject "Vietnam — Why Not Win?" du Berrier charges that "Our fate is being shaped by what is now happening in Vietnam. Either America will win the struggle in which we are involved in Southeast Asia or liberty

Sierra Madre Wash Again Up For Close Consideration

Arciero Agreement Approved, Council Asks Nuisance Abatement Resolution

The City Council approved a warrant in the amount of \$5900 on Tuesday evening in regular session. This amount will be presented to the court in good faith payment for weed abatement completed last July 11, 1966.

Calvin Watts, 9762 Luters Ave., Garden Grove, after an agreed contract of work between the City and himself for the removal of weeds within the City of Sierra Madre was given a license No. 1869 to proceed with the work for 1966.

Evidently not too well supervised, or the defines of the work not too well laid out, Calvin Watts upon completion of the work on July 11, 1966, presented to the City a claim for a warrant in the amount of \$19,077.44. Of this amount \$8,324.74 was for private property and \$10,752.70 was for city-owned property.

The City Council, being hit with this claim, which was about \$15,000 more than they had ever paid for weed abatement denied the claim and on October 24 had Mr. Watts arrested on a felony offense in violation of Sections 664 and 487 of the California Penal Code, or more simple an attempt at Grand Theft.

On bail Mr. Watts appeared in Court on October 31, 1966 and on November 4 the case was dismissed by Thomas W. LeSage, Judge, due to insufficient evidence. Repeated negotiations on part of the City Attorney on behalf of the City brought forth no settlement, with Calvin Watts expressing that he had over \$11,000 in actual expenditures.

Calvin Watts has now brought suit against the city for settlement, and the City Attorney's Office has withdrawn a warrant in the amount of \$5900 which now states, "We have evaluated the work, and this is the amount we feel is owed. Take this amount and forever be happy, or proceed to sue, we are ready to defend ourselves."

The agreement between Arciero and the City of Sierra Madre was discussed pro and con for over an hour and was at a stand still by a vote of 2-2. At a later hour, after the arrival of Mayor Parks, the agreement was again brought onto the table of the Council and again

Carol Crowley Now Prexy

Carol Crowley, of 585 Manzanita, has resumed her duties as president of the student body for the spring semester at Scripps College, Claremont.

Scripps College is a privately endowed, residential, liberal arts college for women, and a member of The Claremont Colleges. Founded in 1926, Scripps is celebrating its fortieth year.

Scripps offers five broad fields of concentration: Languages and literature, the arts, social studies, philosophy and religion, and science. The humanities, a program pioneered by and unique to Scripps, is the core of the curriculum and complements the idea of having five broad fields of interest instead of many departments.

Billy Wark Named As Citizen Of The Year

Known To Many In the Area As Protector of Mountains

Committee Does Outstanding Job of Selection From Fifteen Nominations

When the committee of the Chamber of Commerce made the decision to give the "Citizen of the Year" award, they certainly could not have picked a better person who

has been "Mr. Sierra Madre" every day of his life since he first came to our community 49 years ago, at the tender age of one year old.

The Citizen of the Year award was presented to Bill Wark, man of the mountains, by our own Mayor Frank R. Parks at the annual Chamber of Commerce dinner for the installation of officers held at the Altadena Country Club, 2290 Country Club Drive on Monday evening, February 13.

The presentation of a beautiful sterling silver "cup," really a bowl, will have his name engraved as its first recipient, and he will be permitted to keep his treasure in his home until

some time during the Christmas Holidays when it will be displayed in the Christmas windows as selected by the officers of the Chamber. But for his very own, he received an individual plaque to cherish and retain for keeps and make those who come in contact with him proud to have known him.

Although Bill's achievements are all great, his greatest became reality dur-

ing the months of January and February this year when the city passed an Ordinance wherein 1069 acres of city-owned land was designated as a Historical Wilderness Area. Bill fought hard for this project and it will become law on February 24, 1967.

Bill Wark, in his early days was a wrestler, from here he ventured into truck driving, and in both of these endeavors he was termed the best, and received citations. At present Bill is fast becoming known as one of the preferred writers in the field of mountaineering, and is currently being sought by

S.M. Girl Will Go To France

Miss Peggy Shadforth, daughter of Mr. and Mrs. Robert Shadforth of 400 West Montecito, has applied, and was accepted for a most exciting summer tour. The 18 year old Sierra Madrean is one of the 10 students chosen from the 50 states to travel to France for two months this summer.

Peggy was accepted for this honor by the Experiment in International Living; an organization which arranges for students to travel abroad and live with the people of the countries as a son or daughter. In this way the Experiment hopes to broaden international communication and understanding. Some students, such as Peggy, will live with the families for one month and travel throughout the country for the second month.

The Experiment was founded in 1932 by Mr. Donald Watt who began by exchanging American, German, French and Swiss students, and has grown to the organization which, in 1966, exchanged approximately 5,000 students, and trained more Peace Corps volunteers than any private organization. These volunteers were trained in Vermont, and now cover 15 countries of the free world.

Peggy is well prepared to cope with the French language with her four years study in French at Pasadena High. This busy senior is quite active now as a member of Thebanas, League and Philanas, secretary of Tri-Lighters, and recipient of Citizen's Award for the Teen Teaching Program, and a member of St. Mark's Episcopal Church. Upon her return from France, Peggy will begin college, where she will major in history and get her teaching degree to teach secondary education.

BILLY WARK, CITIZEN OF THE YEAR
... Man of the Mountains

American Legion Unit No. 297 Has 42nd Birthday

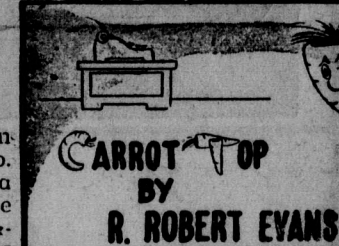

Sierra Madre American Legion Auxiliary, Unit No. 297 will celebrate their 42nd birthday anniversary at the home of Mrs. Ocella Henderson, 89 E. Sierra Madre Blvd., on Thursday evening, February 23. All past presidents and charter members are cordially invited to attend the party. This is a social evening.

Units of the 18th District will meet at El Serrano club house on February 20, to honor department president, Bobbie Comenzind.

Rehabilitation chairman Amy Beisel received a call for four more flannel shirts for Veterans of San Fernando Hospital, making a total of eight flannel shirts donated by Unit No. 297, also six bath robes and six regular shirts.

The unit reviewed their Christmas welfare work. Lucille Pickett chairman had remembered a veterans family and joined with the Kiwanis in their community welfare program.

Mrs. Beisel, gave fruit cakes to a Navy nurse, a veterans family and veteran living alone.

How's this one for a real humdinger . . . And I am not going to mention any names either, since I am not the publicity director for them.

On the search that happened the last part of January, who was the member of the Search and Rescue Team that was left out in the cold?

Seems that one of the members was sent to the ridge with a bull horn in an attempt to find the victim. After the rescue was made and the team members were home, who thought about the member on the ridge? I really got a big charge out of this one, and if I were a member of the Team it would just be my luck that the team would spend half their time out looking for me. The bull horn man was retrieved and is now safe and sound . . . safe anyway.

While we are talking about the Sierra Madre Search and Rescue Team, who we know are real live and honest to goodness people, let's bear a page out of the book of City Attorney Martin and mention the Sheriff's Search and Rescue Team, which according to the Sheriff "is not a team at all."

You see, Attorney Martin told the council to judge a certain swimming pool as though it did not exist, although it was there as plain as day.

Several months ago Sheriff Pitchess said there was no "Sheriff's Search and Rescue Team" so we have to judge it on the basis that IT DOES NOT EXIST.

However, in the metropolitan daily newspapers the first of February, there as plain as day were the pictures of a rescue and the stories read "Members of the San Dimas Sheriff's mountain rescue team made the rescue" . . . Certainly good work for something that does not exist, don't you think?

—Please turn to Page 10

VISUAL SALES Grand Opening was termed a grand success with the selling of over three truck loads of appliances. Jack Grotewiel is shown climbing the great three-day event by drawing the winner. Ann Meyer, of 650 Highland received the winning knife. H. L. Bensch of 870 Foothill Blvd. won the \$100 certificate and Alice B. Hart of 1915 N. Michillinda the television set.

NEW TRUCK and service of Pest Control for Sierra Madre is now available by Courtney Schooley. This service also takes care of plant and tree spraying by expert maintenance men.

Orchid Meeting February 16

The San Gabriel Valley Orchid Hobbyists regular meeting will be on February 16, at 7:45 p.m. at the Los Angeles State and County Arboretum, Arcadia.

The speaker for the evening will be Mrs. Rita Crouthers of Vista, who will give a talk on "Those Dam Den-

drobiums." This should be a good subject as the dendrobiums are hard to grow here in So. Calif.

Culture class will have Dr. Fowle, who will discuss "Unifoliate Cattleyas of So. America. This class begins at 7 p.m. in the lecture hall.

70th Birthday PTA Luncheon To Celebrate

The 70th birthday of PTA will be celebrated by the Wilson Junior High School Parent Teacher Association at a Founder's Day Luncheon at the Girls' Club on February 16.

An honorary life membership will be awarded to a resident of the area for outstanding service to PTA and the community, as well as for service to children and youth.

The life membership pin given to the honoree signifies that the unit awarding it has made a financial contribution to the state life membership fund in the name of the honoree. From the funds, loans and scholarships are made to students who are preparing to be teachers, nurses, school counselors, children's librarians, or specialists in parent education or community mental health work. The worthy use of these funds enhances the honor of a PTA life membership to recipients and donors alike.

The February Founders Day was established by the national PTA in 1910. The PTA has grown in its 70 years to a membership of 12 million persons, of which four million are men. Its success has come from diligent work for the welfare of children.

Wilson PTA officers for the 1967-68 school year will be elected at a short business meeting following the luncheon.

Seaman Gibson In Pacific Fleet

Seaman Apprentice S. M. Gibson, USN, son of Mrs. Helen Gibson of 550 W. Sierra Madre Blvd., is helping the U.S. Pacific Fleet Service Force celebrate its 25th anniversary this month, while serving aboard the stores issue ship Pollux.

Headquarters for the U.S. Service Force, Pacific Fleet, is at Pearl Harbor, Hawaii.

Look for your neighbor in church this Sunday.

Foothill Concert Membership Open

The Foothill Community Concert Association asks: Would you like a terrific bargain? Do you enjoy outstanding music? Would you like to see and hear some of the world's finest artists? Programs planned for the entire family?

Then join your Foothill Community Concert Association!

The group presents three to four concerts a season starting in the fall, held close by in the Monrovia High School auditorium with free parking at the rear of the school. All new members will be invited to the last concert of this current season when we present Ronald Turini, the brilliant young Canadian pianist, March 30.

Concerts are by membership only — just \$7.50 for adults and \$3.50 for students. An exceptional reciprocity list is also available whereby members can enjoy as many concerts as they wish at no extra cost.

Two concerts have already been booked for the 1967-68 season, Richard Hayman and the Manhattan Pops orchestra and "The Romeros" famous guitarists. Time is limited for memberships, which may be obtained by calling Mrs. Maude Nelson at 355-7041.

SM Girl Named Posture Queen

Now it would seem that mountain type girls walk taller and straighter. Wilson Junior High School each year holds a Posture Queen Contest in which girls of all grade levels participate. Culmination of this event is a mother-daughter party for which a queen is selected, plus two princesses from each grade.

This year Sierra Madre is outstandingly represented by the ninth grade Queen, Chris Morris, the eighth grade princess, Debbie Pratt, and two princesses from the seventh grade, Gretchen Popp and Virginia Warren.

The 80,000 ton carrier, the largest conventionally powered warship in the world, is contributing to her country's efforts in Vietnam by launching daily missions against enemy targets in North Vietnam.

This is the second tour to a combat zone for the Kitty Hawk after spending five months in her home port at San Diego.

Dr. Rue Talks On Lasting Marriage

In spring, the Foothill Medical Auxiliary's fancy turns to thoughts of love and marriage. Cupid will co-star with Dr. James J. Rue, guest speaker at the auxiliary's luncheon at a restaurant in West Covina, on February 23, at 11 a.m.

Dr. Rue's topic will be "Preparing Our Youth for a Lasting Marriage." Like Cupid, Dr. Rue will shoot a few arrows at the subject of love. He says "It is easier to get a marriage license than it is to get a driver's license." He also believes "Parents, en masse, make the mistake in believing that the schools and churches are preparing young people for marriage... when it actually is the parents' responsibility."

Mrs. Arnold Spiro of West Covina designed the attractive table decorations featuring Cupid paying court to a bride doll.

Seaman D. Alley On Kitty Hawk

Seaman Daniel H. Alley, USN, son of Mr. and Mrs. William E. Alley Jr., of 200 S. Mountain Trail, is serving with the U.S. Seventh Fleet off the coast of Vietnam as a crewmember aboard the attack aircraft carrier Kitty Hawk.

The 80,000 ton carrier, the largest conventionally powered warship in the world, is contributing to her country's efforts in Vietnam by launching daily missions against enemy targets in North Vietnam.

This is the second tour to a combat zone for the Kitty Hawk after spending five months in her home port at San Diego.

Mrs. Maude L. Fitzgerald of 735 E. Grand View celebrated her birthday February 12, along with all who honored Lincoln, having a few friends in for the afternoon. And well she and friends might celebrate: 94 is the score, so there Mr. Jones! That old mountain air is still magic, it seems.

You and Your Neighbor

by Mary-Madeleine Lumphier

Last year Allen Ford worked with the backstage crew of the Field PTA show and his wife Eleanor did the programs and then the last night party was held at their home at 3820 Greenhill Rd. Those who enjoyed the show as much as I did may be a little disappointed to learn that this PTA this year will try a theater party at the Circle Theater. The Fords were hosts a couple of weeks ago for a "hobo party" given by the Trinity Presbyterian Clipper Club. They had spaghetti out of cans, sat around the fireplace in a circle and played sing-a-long records. Present were Dr. and Mrs. Arden Albee; Pat and Bill Ansie (new PTA president); Lil and Larry Braden; Wayne and Laura Brennan; the Jarratt Brunsons; Mrs. Margo Cameron; Fran and John Dee; Marion and George Gasper; Dorothy and George Walker. Margo Cameron is all excited because her husband Dr. Roy Cameron, the microbiologist, will be returning next week after 3 months away on an exploration expedition for JPL in the Antarctic, searching for signs of life which might be similar to that which could exist on Mars and other planets. (Wonder how long it will be before we casually report, "Joe is due back from his recent sales trip to the moon?")

Nuclear engineering reminds us that a world of wonders continues to expand and who knows what next? For instance, at the new \$15 million wing of Children's Hospital there is an overall vacuum system which keeps dust out of the air, and a heliport on the roof so emergency cases can be rushed there by helicopter, according to Mrs. Philip Shepherd of Kinneloa Ranch, who is still glowing from that trip made by the Villa Ski Club. Mrs. Shepherd was one of the of the Sierra Madre branch of the Cystic Fibrosis Guild who held their regular meeting last month at Children's Hospital in conjunction with the meeting of the hospital's Associates, and then had a preview tour of the new wing which is not yet officially open. The funds raised by parties, the fall benefit dance and the Bargain Cottage here go to the cystic fibrosis research center maintained at Children's Hospital. If you missed the half-price sale at the cottage

We have a very talented neighbor living at 1401 Oak Meadow Road, Mr. Roy H. Pike. This man builds and carves tables, trays, music boxes, larger boxes, and toilet tray sets by hand from some of the world's most precious woods. Much of the wood used by this artisan is from the jungles of Brazil, wood that is too precious to buy in any large quantities. Mr. Pike also works with the Macassar Ebony from Madagascar Island; this rich black ebony has brown grains throughout it. Mr. Pike's work has been shown and won the First Premium Award at the Los Angeles County Fair.

Jim Forney, son of Mr. and Mrs. Robert Forney of 624 Ramon had himself a three day camping trip last weekend at Chillico with a group of friends.

The Hastings Ranch Garden Club, under direction of Mrs. Lauritzen, president, and Mrs. Hoag, have scheduled a tour of the Los Angeles Music Center on February 28. The ladies will enjoy a conducted tour through the large, lovely building and then have luncheon at the Pavilion. Departure time will be promptly at 9:30 in the morning from the home of Mrs. Norm Shanks at 3725 Canfield Road.

Robert Joseph, son of Mr. and Mrs. Frank Polito of 2000 Vista, is to be married on Feb. 18 to Martha K. Kelly of Temple City, where the couple will live after a brief honeymoon at Santa Barbara. The wedding services will take place at the Temple City Christian Church and be followed by a reception at the Huntington-Sheraton. Robert's younger brother, Richard, who is an engineering student, will be an usher. His sister Carol now lives in Long Beach.

Latest to join the rash of those who've broken out with chicken pox is Buddy Holcomb, in case you've not seen Jayne for a few days.

Friends of Library
The Friends of the Library will meet on Thursday, February 16, in the library basement at 8 p.m. It is expected that plans for the annual book sale, to be held in March, will be finalized at this meeting.

Thursday, Feb. 16, 1967

SIERRA MADRE NEWS-9

Porobic Exhibits Famous Paintings

Branko Porobic opens a two-week art exhibit in the Wilshire Federal Savings Art Gallery, 3500 Wilshire Boulevard, on Monday, February 13.

He studied in Venice, Paris and Rome at the Academy of Fine Arts.

Porobic has had one man shows in Belgrade, Paris, London, New York, Chicago, San Francisco and Los Angeles.

He exhibited at the International Exhibition in Rome and won the International Paestum Prize awarded by the Academy of Arts and Sciences in Rome. At the same time, he was elected to honorary membership in the Academy. He is also mentioned in the French History of Art.

Music Teachers' Feb. Meeting

The February meeting of the Music Teachers' Association of California, Pasadena Branch, will be held Monday, February 20, in the home of Ruth Banbury, Pasadena.

The program is entitled "Dance Forms and Rhythmic Characteristics of the Suite." It will be presented by Miss Elma MacFarland of Pasadena, who is an authority on these subjects and a charter member of the Pasadena Branch of the Music Teachers' Association.

Mrs. Harlow Mills of Altadena will give two book reviews. One of the volumes, Musical Autographs from Monte Verde to Hindemith, by Winternitz, deals with the history of notation, favorite styles of writing, and music manuscripts.

The second volume, Music Therapy for the Handicapped Children by Nordhoff and Robins, deals with the specific findings of responses to music, taken from a wide range of children.

Scholarships To Senior Girls

Pasadena Area Panhellenic Association is acting with nine high schools in the Pasadena School District, to determine scholarship awards for girls planning to attend four year colleges or universities. A check for \$100 from the association will be sent to each winner, upon her enrollment.

Scholarship will be determined on grade point average, participation in student affairs, and personality development. Pasadena Area Panhellenic Association wishes to pay tribute to all teachers for their role in making these scholarship awards possible; their dedication to the learning process teaches young people to think for themselves.

Senior girls are encouraged to register with Panhellenic, through their high schools. Pasadena Area Panhellenic Association represents 18 national college sororities.

Sigma Kappa Has Fashion Luncheon

"Violets and Vagues," annual fashion preview luncheon sponsored by the Southern California Council of Sigma Kappa, will visit the Mediterranean this year. The affair will be held at the Huntington - Sheraton Hotel on February 25 at 11:30 a.m.

Members and guests of nine alumnae chapters which comprise the council will view fashions.

The event will benefit Sigma Kappa philanthropies including the Harthway Home for Emotionally Disturbed Children. Chairman of the event is Mrs. Nell Thom of Los Angeles. Reservations may be made by contacting Mrs. William B. Kirkland, Pasadena Alumnae President or Mrs. Lewis Beery, Council Representative.

PERSONALS

MARILYN — We just cannot keep on going like this. You must make a decision and soon. — DOM N*2-16

JACK — E Pluribus Unum. Everything is sure to work out, have courage — EDNA N*2-16

MACK — What do you mean by despair? What evening, and why always? CONNIE N*2-16

HELEN — Don't give up now, Rome was not built in a day; Love must come gradually and be full and lasting — HAL N*2-16

PERSONAL

MARGARET S. — Are you available, you sure look good to me. Answer as soon as possible — AD-MIRER N*2-16

MARY — That shirt deal at Vogue Cleaners is out of this world, don't disturb it, but how about the March Special . . . How about a suggestion, Mr. Jack, like two for one . . . 1 pair of slacks, one shirt, or one blouse, one skirt, 99c. How far can we push him; let's watch — ETHEL N*2-16

ALICE — Times are really tough all over, crying will not help the situation, only muddy the waters — DAN N*2-16

PETER — It's been a long time since you have made the grade; vitamins might assist you in becoming a man among men — FERN N*2-16

ENGINEER JOE GRIPIPI — Saw the movie that the fire dept. cooperated in making and thought "Engineer Bill" was good, but the real highlight was when you appeared "Engineer Joe" — MY HERO. — NANCY PREG N*2-16

SUSAN — So help me I know nothing about it; but why look a gift horse in the mouth? Especially when he doesn't eat much hay — JACKSON N*2-16

You and Your Neighbor

by Mary-Madeleine Lomphier

Karen Burns, daughter of Mr. and Mrs. George Burns of 440 Manzanita was another one of our local students who sandwiched in some skiing during semester break recently. Karen went to Lake Tahoe; she attends PCC, majoring in Phys. Ed., with the University of Colorado her destination, which should prove a skier's heaven.

And then the Donald Bradleys with their three boys, Randy, Greg, Bert all went skiing at Mt. Baldy. Looks like someone should alert our Chamber of Commerce at least promote a practice run here in our mountains and draw some visitor business as well as please the hometown customers, because people in this town certainly take to the slopes with zest.

I dare anyone to keep up with the traveling Phillips family. Mrs. Draper Phillips and her eldest daughter, Diane 23, who will soon become a Pan Am stewardess, went to Europe in January for a whirlwind jaunt. Diane returned to Sierra Madre and Mrs. Phillips, joined by Mr. Phillips, traveled to Rhode Island and Washington, D.C.; and then to Miami, where their youngest daughter, Meredith 12, met them. They returned this Sunday to greet the only stationary member of Sierra Madre's jet set . . . daughter Kathy, 19, who tells me she is sitting out her semester break right at home! Ah, fascinating!

The Frank Russos have their relatives visiting them now. They are a second aunt and uncle of Jerry Russos' from Fort Wayne, Indiana, who are out here for a long visit of three months. Mr. and Mrs. Willig have rented an apartment in Canoga Park during their stay. Mrs. Russo said the one city they have fallen in love with is Santa Barbara and the one Southern California activity they just can't get enough of is attending the TV programs here. They have been trying to attend as many as their schedule permits.

Donald and Barbara Ter-math of 460 W. Fairview went with a group from here to the Knights of Columbus Valentine's dance in Pomona, Saturday, Feb. 11; accompanying them were Mr. and Mrs. Tony De Pasco, Mr. and Mrs. Joseph Delgatto, Mr. and Mrs. Robert Clarke, and Mr. and Mrs. Charles Waters and Mr. and Mrs. Artemy Cross.

The Santa Anita Highland Garden Club has a real treat in store for all the ladies interested in flower arrangements. There are going to be flower arrangements on display, lectures and flower arranging demonstrations for any who want to attend. The Garden Club will sponsor this event and they are selling tickets which are \$4 and can be obtained either at the event or with Mrs. Leon Canfield 355-4363.

Weed Removal Suit

Wash
The Council set Wednesday March 1 at the hour of 8 in the Council Chambers, when they will meet in open session with Mr. Omar Hall and Mr. Gilday of the Los Angeles Flood Control District and other representatives to discuss the possibilities of answers clarifying the flood control work of the Sierra Madre Wash.

Councilman Wagner, after a meeting in Washington, D.C., with Col. Pick of the Corps of Engineers, states that he feels that the time is close when answers will be given, and possible procedure for the flood work will get under way toward City approval.

Other Business
Ordinance No. 778 in regards to the removal of refuse receptacles from the streets and parkways was adopted and ordered published in February 23 issue of the Sierra Madre News, and becomes law on March 14.

Fifty-three items on the agenda of various sundry items was all completed by the hour of 12:30, with hearings and meetings set and items for the next meeting agenda fairly well set forth.

As Ives Sees It

A fine group of officers behind him. Here is hoping the group can get some financial support.
A FAN'S DILEMMA . . .
For a number of years this writer has been a great fan of Norm Van Brocklin. You remember the seasons in Los Angeles when you had to be either a Van Brocklin or a Bob Waterfield fan? Well my allegiance went to the Dutchman. Now Van has quit the Viking job.

To make matters worse Fran Tarkenton has been my favorite quarterback since he broke into the NFL. Now Fran has quit the Vikings.

WHEN IN THE WORLD will the NCAA and the AAU settle their differences? Probably never, as long as one Avery Brundage re-ins as kingpin. Paul Zimmerman and Sid Ziff, two of the foremost sports writers in the business, tore into Brundage, the AAU, the NCAA, Hubert Humphrey and the senate committee that was supposed to straighten the whole mess out, in their columns in the Los Angeles Times last Monday.

TOM FEARS grabbed a bagful of nothing for his New Orleans football team. One catch that may prove to be a prize in the future is tight end Kent Kramer, the ex-Temple City lad who played for the San Francisco 49ers. He is a tight-end with talent.

YOUNG JERRY PROCTOR the Muir High long jump champion, set a new U.S. prep mark of 25-9 in the Indoor Games last Saturday but was still disappointed with his performance. Jerry is capable of going over 27 feet. The main problem seemed to be that he just didn't have any competition. Jerry beat Lew King of San Diego by two feet and the Morgan boys of Mater Dei fame could do no better than 20 feet plus.

RODEO BUFFE can see plenty of exciting action this weekend as the first local action gets underway Friday with the Pacific In-

Rebuilding Trail

watched the old trail decline. It had given us and many of our neighbors so much pleasure during our lives that we (and it seems crazy now) decided to rebuild the trail.
So with shovels we started digging in an almost impossible task. Lester and Margaret Anthony pitched in to aid in the project. Two old timers, 67 year old Barney Decker, and 66 year old Ambrose Zaro, came every Sunday to spend the day working on the trail. My fellow members of the Sierra Madre Search and Rescue Team helped push the trail as far as the stream. And our little group kept right on digging. We went up after work and every weekend. But as we neared Orchard Camp we were tiring and went out looking for help. Copyright — Bill Wark, 1967
(To be continued)

Truth About Turmoil

will die there, and America will begin to reach the end of her road as a great power.

This program is one in a continuing series of lectures sponsored by TACT. The local TACT Committee is composed of concerned citizens dedicated to bring out the Truth About Civil Turmoil. Sponsoring members of the local committee include: Oliver P. Arnold, John Curtis, Ron Griffin, Robert Hatfield, Dr. and Mrs. James Helsper, Matsuo Kunihiko, Mr. and Mrs. Clarence A. Oakley, Mr. and Mrs. William Pursley, Rev. J. P. Stockett.

Mrs. Helen Zental, who recently underwent a cataract operation is back home from the hospital and recovering nicely.

door Rodeo at the Long Beach Arena. Larry Mahan, 1966 all-around champion of the world heads a star-studded list of cowboys who will compete for over \$30,000 in prize money.

Camellia Show February 25-26

The Temple City Camellia Society will sponsor the "San Gabriel Valley Camellia Show" to be held in the lecture hall of the Los Angeles County Arboretum on Saturday and Sunday, February 25 and 26.

The show will open at 1 p.m. on the 15th, closing at 5 p.m., and will reopen at 10 a.m. on the 26th, and officially close at 5 p.m.

Amateur and commercial growers are expected to exhibit in excess of 3,000 camellia blooms. Many new and exquisite camellia introductions will be displayed by members of Southern and Northern California Camellia Societies, and will feature the best in Japonicas, Reticulatas, Hybrids and other species of Camellias.

Show chairman, Arthur E. Krumm, advises that silver trophies will be awarded to the winners of the prize-winning camellias. Blooms will be judged by accredited judges of the American Camellia Society.

This show is the Temple City Society's 19th annual event of its kind, and is expected to exceed those of past years. In view of the many new and exciting introductions, this should be one of Southern California's finest floral offerings.

The public is cordially invited and admission is free.

There's a very happy 15 year old girl at 790 New-haven Road today, for Miss Michelle Collins has been one of two Girl Scout from Pasadena High School to be given the honor of representing her region at the Girl Scout Convention at the Disneyland Hotel on February 24, 25, and 26. The Girl Scouts and Boy Scouts of America will jointly hold this three day meeting and social activity which includes nightly dances for the teenagers. Good luck Michelle, we're sure you'll have a ball!

LITTLE THIS N-THAT
LITTLE LEAGUERS — Don't forget final sign-up sessions are slated for this Saturday.
FOUR OF THE FIVE MEMBERS of the NBA All-Star Quintet are pretty much of a sure thing. When voters cast their ballots Wilt Chamberlain, Jerry West, Oscar Robertson and Rick Barry will be on the majority of them. Big question is who will get the fifth spot on the 'dream team?' Jerry Lucas, Hal Greer, Chet Walker, John Havlicek, Sam Jones, and Willis Reed are possibilities. Personally, my vote goes to the ageless one, Elgin Baylor.

QUOTABLE QUOTE . . . "You often hear a guy gripe that he can't play for this manager or that one. If that's the case, he isn't much of a ball player. A good player can play anywhere for anybody . . . and I mean anybody." **EDDIE STANKY** — Chicago White Sox manager.

DARRELL EVANS, a fine baseball prospect currently playing at PCC, has been drafted for the third time by a major league organization. The Yankees selected him 3 years ago when he was just 17 years old. The Phillies took a shot at him last year and even though they failed to sign him, came back for another try this year. Darrell has his eye on a college education but failed to make the entry to USC at midsemester. This might sway his plans somewhat.

CLOSED CIRCUIT TV will cover the Daytona 500-mile stock car race on Sunday, February 26. Betcha the theatre houses get more action out of this one than they did in the Clay-Terrell thing.

CONGRATS to Pete Runyon, who has been named proxy of the Pasadena Athletic Association. Pete has a

Concern & Prayer Provide Theme of Faith Lutheran

Noting that Sunday, Feb. 19, falls between the birth-dates of Presidents Abraham Lincoln and George Washington, which annually are given national recognition, the theme of concern and prayer for the nation will predominate in the 10:30 Sunday morning worship service at Faith Lutheran Church, 845 Hastings Ranch Drive.

The title of Rev. Armin Hesse's pulpit message will be "Leaders and Citizens Qualified for These Times." The minister points out that "the service will also include the singing of some of our national religious anthems and the usage of President Washington's Prayer for the Nation."

Meeting at 9:15, will be the Sunday school departments, the junior pre-confirmation classes, and Bible study classes for the junior and senior high ages, as well as for adults. Nursery care is provided during both the Sunday school and the church worship hour. At 7 in the evening, the young people of the Walther League will meet with Mr. Donald Hingst, the church's minister of education and youth.

Parish activities next week will include: the Junior pre-confirmation classes on Tuesday afternoon at 4; the Sunday school staff and the Junior Choir on Tuesday evening at 7:30; the board of elders on Wednesday night at 8:30; the Weekday Bible Hour on Thursday morning at 10 studying the Book of Amos; and the Senior Choir on Thursday night at 8.

In the Midweek Lenten service on Wednesday night at 7:30, the pulpit message will be "John: A Speaker from the Lenten Drama." The service will again feature some of the familiar Gospel hymns.

Take God At His Word

"Take God At His Word" is the sermon-topic of Dr. Ethel Barnhart Sunday morning, February 19 at the 11 o'clock worship service at the Santa Anita Church, 226 W. Colorado Blvd., Arcadia. The public is cordially invited. For your convenience infant and child care is provided.

Classes in spiritual education for all youth from kindergarten through high school meet during the adult worship service, and after 15 minutes of worship in the sanctuary with their parents there are graded classes. All are welcome.

The weekday activities include an 11 a.m. Thursday morning meditation and teaching hour for all women conducted by Dr. Barnhart. These classes are proving of great value in everyday living says Dr. Barnhart and all women are welcome.

"Call 447-6162 and receive a blessing through our Dial-for-Prayer," concludes Dr. Barnhart.

Elementary School Menu

35c TRAY LUNCH

Thursday — Meat balls, mashed potatoes, carrot fruit ambrosia, harvest cake, French bread and butter, and milk.
Friday — Macaroni and cheese, tomatoes and celery, deviled egg on lettuce, applesauce, buttered roll, and milk.
Menu subject to change.

Senior Citizens Pay Tribute

Abraham Lincoln's birthday was observed by the Senior Citizens on Saturday when they met at Memorial Park. The patriotic motif was carried out in table and room decorations. Frances Gardener, president, conducted a short business session and Mrs. Charles Ring, tour chairman, announced several interesting tours, namely, the Sunday matinees at the Pasadena Playhouse and free bus trips to the TV show studios in Burbank. She emphasized her invitation to all Sierra Madre Senior Citizens, whether they belong to the organization or not, to feel free to participate in any of the tours. Door prizes were won by Vivien Singleton, Anne Ridgeway and Myrtle Heasley.

The program was presented by Miss Lillian Jones who recited the Gettysburg Address, first describing the events leading up to Lincoln's never-to-be-forgotten speech and its reception by his audience who considered it a prayer.

First Aid for Ailing Food Budgets

Traffic, Finances and Membership Discussed

Two major steps were taken at the monthly meeting February 7 of the board of directors of the Sierra Madre Chamber of Commerce: the decision to formally request City Council consideration of a person to check parking in order to alleviate the growing problem to local merchants of having parking time limits overstayed, and the approved motion to have an associate membership in the chamber available for in-

1st Western Bank Lowers Loan Interest Again

First Western Bank, the only major bank in the West to lower its prime rate of interest to 5½ per cent, has announced further interest rate reductions, primarily in the area of real estate loans for single family home mortgages and FHA-insured loans.

Bank President Stafford Grady, is making the announcement, said that the \$820 million, 82-branch bank was reviewing its rate and fee schedule for many lending services. "Since we have lowered the prime rate to 5½ per cent and are staying there, we owe it to all our customers to review our loan interest rates and lower them wherever possible," he said.

The interest rate for single family home mortgages has been reduced from 7 per cent minimum to 6½ per cent minimum. The discount price on FHA loans; rates on commercial and industrial property loans; and fees for conventional mortgages and construction loans for tract housing have also been reduced significantly, the bank president said.

The reductions in rate for real estate loans is the latest such move in a series which began several months ago when First Western inaugurated a campaign to finance direct-to-consumer car loans to customers at a 5 per cent discount rate.

terested citizens. Acknowledgement that traffic and parking problems are a major hurdle to business progress for this community caused Ron Thurston, after considerable discussion from board members, to recommend that the pursuit of parking solutions be made the major project for the chamber's future planning.

The committee on associate membership, headed by R. Green, made recommendations on eligibility which were accepted as part of the motion which opened such membership to other citizens; these eligibility requirements would permit employees of government, religious or school organizations, or those prohibited from securing a business or professional license, or others at the discretion of the chamber, to become an associate member for a fee of \$10 per year, or \$12.50 if a plaque is desired. For this such associate members will receive all general mailings, be listed on rosters, and be permitted voting on committees.

Jerry Asher was voted in as replacement on the board of directors for the place left vacant by the death of Dominic Boggio. Four new members have been added: Jack Overholt, Vogue Cleaners; Jack Grotewiel, Visual Sales; Hank Danowsky, Wisteria Laundry; Doug Tucker and R. Dewey, R.C. Modeler.

Treasurer Ben Wightman's report indicates that the chamber bank account, with the addition of the new year's membership fees, had swelled at last temporarily to over \$2300; final computing of Christmas funds against expenses still show a black ink balance of some \$100 over.

Present at the meeting were guests Jack Overholt and Ben McGee, officers Delahooke, Burke and Wightman, and Underwood, and members Asher, Cook, Hurwit, Lipps, Meade, McGee, Rudbach, Sullivan, Thurston, Wolfe and Woodruff.

The Menu Story

by Frank P. Burke

In listing some of America's BEST restaurants — Amelio's of San Francisco would certainly be on my list.

1630 Powell near Union is the address and reservations are a MUST.

In a wickedly competitive field dominated by men — this RESTAURANTEUR is a woman!

Inez Pacini is a petite bundle of CHARM and ELECTRIC EFFICIENCY. As you enter you will be greeted by "Mrs. Amelio" as she is affectionately known OR her cashier-greeter — and Jack of all trades WILLIAM GILDON.

Our waiter — Oscar Lillio was AS important a part of our evening as the MEAL itself. This man is a REAL credit to the culinary industry!

Dinner started with thin slices of fine salami and prosciutto — a relish tray of celery, olives, hot peppers and pickles.

The salad was really delicious AND COLD.

A small dish of ravioli and the best I have EVER tasted.

The veal scallopini was EXCELLENT and I don't know why it is that more people don't eat veal.

After dinner they bring out a BIG basket of fruit and assorted cheese for dessert.

But they have other choices if you wish. The guest book at Amelio's is filled with signatures of stage and screen — foreign and domestic dignitaries — ex-bartenders and ex-liquor clerks.

Keep them cards and letters coming folks — And tell them you read it in the Sierra Madre News.

'Miracle At Philadelphia' Sierra Madre DAR

Sierra Madre Chapter National Society Daughter of the American Revolution meets Monday, February 20, at 7:30 p.m. in the Parkhouse, 25 S. Hermosa.

At this meeting the program chairman, Mrs. James C. Greer is presenting Mrs. William K. Keith of the Pasadena City Library, who will give a book review on "Miracle at Philadelphia," by Katherine Duiker Bowen. This being "American History Month" by national proclamation, a review of one of America's important events is most timely.

Mrs. Keith, well known in Sierra Madre, is a very accomplished reader and interpreter of what she has read. Her many friends here will be delighted to join DAR members in attending her talk.

Hostesses for this patriotic event, according to Chapter Regent, Mrs. Gwendolyn Becker, will be Mrs. James C. Greer and Mrs. A. S. Myers.

Support your local merchant — buy locally.

Annual Ball For Pasadena Shakespeare Club

The El Dorado Room of the Music Center will be the setting for the Pasadena Shakespeare Club's annual ball, Saturday night, February 18, from 9 o'clock to 12:30. Dining and dancing to the music of Ted Taves and his orchestra will be preceded by cocktails in the Founders' Room, from 7 o'clock.

Honored guests will be Mrs. James C. Chambers, president of the club; Mrs. Harold D. Wiener, vice president; Mrs. A. J. Frederick, director of the Philanthropy Department; and Mrs. Robert M. Spanjian, director of the American Home Department. Mrs. Earl Clark is chairman of the event.

'PEPTONE'

By ALICE MANG

Inner movement is happening! One Arcadia girl's reaction to this groovy group was, "I thought the Inner Movement was just great! Most of my friends thought so too. We were sure surprised they didn't place better in the Battle of the Bands."

At Arcadia's Battle of the Bands the Movement placed fourth, but considering that no one had ever heard of them before and everyone heard of the other bands they really were good.

Vic Sabino, the lead singer and leader, hopes to have the group become very popular; if not, which is highly unlikely, he would like to do silk screening. Learning how to play the drums was his first interest in music and the things that helped him most in this were: quitting smoking and learning the harmonica.

Drummer, Carmelo Armando Sabatella, more commonly known as Cameo, attributes his interest in music to his parents. It seems that they gave him lessons on the accordion when he was younger because he is Italian. The worst problem Cameo ever had to solve was figuring out a way to get equipment for the group.

Playing the ukelele when he was five was Mark Buegermann's first interest in music. He now plays bass guitar. Lousy drivers and phoneys comprise some of his phobias and his hobbies include: building racing engines and surfing.

Lead guitarist, Matt Hernandez's favorite hobby is the band but his most prized possession is his wife. For the future he hopes to make a lot of money from the band but if impossible, he would like to be a plumber.

Tony Perone, organist, hopes to make a million some day. His most prized possession is his car and his hobby is cars. Some day Tony hopes to be a school teacher (if he is as good a teacher as he is an organist he will be a huge success.) Tony has been playing the piano for 12 years and the organ for three months.

All of the guys, except Matt, attend PCC, and they range in ages from 18 to 21. Their favorite groups include: Rolling Stones, Love, Byrds, and the Raiders.

You and Your Neighbors

by Mary-Madeleine Lamphier

Carl Hobson found his first attendance at the state Red Cross conference held recently at International Hotel by the airport, a stimulating and informative experience, and enjoyed the workshops held. He reports that there are now 275 Red Cross workers in Vietnam. Their liaison work between young soldiers and their families back here, involving everything from phone calls and telegrams and counselling to advances of money to meet a crisis makes them an outstanding part of military morale in keeping the men from worry.

— ☆ —

There was a flurry of preparation going on in the household of the Ronald Jorgensens of 1975 Lillano last Friday afternoon, on account of Ron and his sons Donald and Bob were packing up for the father and son jaunt to the Indian Guides up to the Y camp Lake Bluff at Big Bear with all its snow. Jeffrey and Dick Jones went along, too, giving Mary a chance to rest before her real going to the hospital. Mrs. Jorgensen and the girls Lori and Linda just stayed home to relax and enjoy the peace and quiet of having the males away for a day or

two. The Jorgensens were one of several couples entertained at cocktails and dinner weekend before by neighbors and the Robert Hansens; other guests were the John Percells and the Blair Painters.

— ☆ —

Mr. and Mrs. William Shepherd of 486 San Gabriel Court really did it up brown when cousins Mr. and Mrs. Maurice Fulton came out from Wynnewood, Pa. to see the parade and game at New Year's: they had seats for the parade right in front of the Elks Club and box seats for the game on the 40 yard line. As Mr. Shepherd is a past Exalted Ruler of the Pasadena Elks 672, they got to be guests with him at a luncheon for a group of past Rulers. In turn the Shepherds were entertained by their visitors at La Quinta in Palm Desert. Now they have sufficiently recovered from the holidays for Mr. Shepherd and Harry Martin to take off for a weekend at Glen Ivy Hot Springs, near Corona, where the two will get in some fishing in the lakes around the area.

Tri-Delta Has Alumnae Brunch

Mrs. Everett D. Sadler of 1400 Pasqualito Dr., San Marino, will be hostess to members of Pasadena Alumnae Chapter of Delta Delta Delta at a brunch on Monday, February 20, at 11:30 a.m. at her home.

Mrs. R. Vincent Douglas, program chairman, announces that Mrs. Victor Wykoff, advisor at UCLA Tri-Delta Chapter will be the speaker and will bring news of the activities and honors of the girls there.

Assisting the hostess on the committee will be Mrs. Harold L. Fraser, Mrs. James L. Gessner, Mrs. T. E. Montgomery, and Mrs. Lorin H. Wilson.

For reservations please call Mrs. R. Vincent Douglas, 281-4226.

Marie Albu, whose children grew up with those of the Virgil Nordyke's reports that when the Nordykes visited back here with her at the first of the year, all seemed well with the family. It was last September that they moved from here to Tustin, both because of Virgil's work and because daughter Judy is going to Irvine.

Fly Tying Course Offered For Fishermen

The 17th annual Fly Tying Course will be offered free to the public by the Pasadena Department of Recreation and the Pasadena Casting Club, at Jefferson Elementary School, 1500 E. Villa St., Pasadena.

Instruction will start Friday, February 24, 7:45 to 9:45 p.m. and will continue for five consecutive weeks. Those interested may sign up by calling Recreation Headquarters, 793-9177.

Beginners will be taught the fundamentals of tying artificial flies, including dry flies, wet flies, nymphs, streamers and leaders. Herb Troebner will be in charge, assisted by other members of the Pasadena Casting Club.

Fly tying equipment will be described during the first session and required for the second session on March 3.

Fly casting instruction will be given by Russ Peak at a later date and will be announced during the fly tying classes.

Letters to the Editor

Dear Editor: "Why do we help the Communists?"

How many people were really shocked by the UPI announcement in a late January newspaper release that "The Rockefeller family and Cleveland financier, Cyrus Eaton, plan to merge their fortunes and skill in a major investment of U.S. capital behind the Iron Curtain?" — plan to build factories, industrial plants and hotels in a private effort to promote trade with — Poland, Czechoslovakia, Romania, Bulgaria, and the Iron Curtain?"

At the same time our newspapers tell us that the Soviet Union has sent 100 Migs to North Viet Nam, that Hungary was going to train 1,000 technicians flown in from Hanoi. Nevertheless, the United States lifts the level of Hungarian - Bulgarian ties, giving full embassy status to communist Hungary.

Thus, we are helping to build the Communism of

Eastern Europe, economically and in many other ways, while we are fighting Communism in Viet Nam.

The question is, "Why are the American people helping the Communists and seeking to destroy the anti-Communists?"

I suggest five reasons:

1. We are deceived by massive propaganda.
2. We are afraid of our enemies.
3. We are comfortable, in different people.
4. We are an ignorant populace.
5. We have blind leaders.

Unless this dualism running through American life, unless this double-minded approach in dealing with Communism is changed, America is doomed under judgment to disaster and to destruction.

— R. A. EVANS

Luncheon For Shakespeare Club

A dramatic interlude by the Masquers of the Shakespeare Club will be featured at the noon luncheon meeting of the Pasadena Shakespeare Club Tuesday, February 21, in Stratford House, Miss Elizabeth Flint, director. Songs by the Choralettes, Mrs. Louise Grant Rice, director. Mrs. Earle E. Hadley, chairman. The club's past presidents will be honored guests, Mrs. James C. Chambers, president, presiding. Invocation by Dr. David M. Held.

"Communications — The Life Blood of Living," a vital topic, will be presented at 1:45 p.m. in the Shakespeare auditorium by Lawrence A. Dysart, communication consultant. Mrs. A. J. Servais, director, current event department.

Of course, as City Martin says . . . You have to nudge them as "though they weren't there" so if they are not there, how can we say anything about them. Just as taxpayers pay the bill and keep quiet.

You and Your Neighbor

by Mary-Madeleine Lamplier

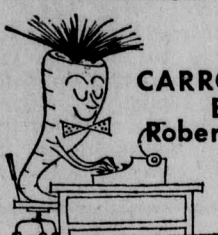

Mr. and Mrs. Peter Rambeau of 186 Mariposa decided to defeat the last of their flu bugs with some real treatment and during semester break went with son Michael, PCC student, and Rosemary, 11, to 29 Palms, made good use of their breathers by looking for cabin so they could make this a habit. The whole family, being English, were more than delighted when Michael achieved an A in his Shakespeare class, and since he plans to go on to USC and study law, this should be helpful when it's time to orate.

Imagine how startled Mrs. Edith Brooks, our new classified "gal" was one fine day when her husband Ronnie came running in and announced with considerable excitement: "Guess what I just found among the books in the basement — a New Testament written in pornography!" Turned out that he meant "phonography," meaning shorthand. This unique book of the Brooks is a first edition and 97 years old. Seems that Pittman, inventor of shorthand also invented the first press which would print the shorthand characters, and decided to print the New Testament in this original hieroglyphic style. Now the Brooks are debating the idea of selling it, so alert your collector friends.

— ☆ —
Wednesday, February 7, the Eugene Bairds had a family birthday party for Becky Turner and the Richard Browning family of Shadow Grove with whom she is staying while she continues with her education at PCC. Becky's family, Mr. and Mrs. Norman Turner and daughters Lea and Debbie, live in Hong Kong, where they've been the past 12 years as missionaries. Sierra Madreans know them from their residence here both before their move and when they've been on furlough.

No wonder the Harold Petz have been quiet recently. They not only had big holidays and out of town visitors, but trips, too. Their house guests were Mr. and Mrs. Fred Metzinger of Rochester, N.Y., whom they took to Kernville for a week and accompanied by Mr. and Mrs. Harry Lange, Mr. and Mrs. Robert Friberg of L.A. and Mr. and Mrs. Raymond Blust of Vista. Finding Kernville a bit cool was a nice excuse to jaunt with the Metzingers to Palm Springs. Then, recuperation.

Victor Heisel of 521 Ramona and the Richard-Victors draperies and picture framing shop next door to the News is still in the hospital; friends may want to be of help to Mrs. Heisel during this time.

CARROT TOP
By Robert Evans

Now, we have 20-men each at Sierra Madre, Altadena, Montrose and San Dimas, all volunteers, but it seems that they were not called. It was better to use the men that are paid for by the TAXPAYER. Of course, they may have been receiving pay anyway, but it would be my thinking that these men should, for instance, be helping the law enforcing situation around Montrose, a place that we hear needs more help, instead of replacing volunteers.

— CT —
Senior Citizen: "Yup, I'm 98 years old son, and I'm proud to say I ain't got an enemy on earth." Reporter: "That is a very beautiful thought, sir." "Yup," remarked the Senior Citizen: "The last one petered out about a month ago." . . . 44 years more to go for me, how about you?"

— CT —
The Sierra Madre Chamber of Commerce and its committee, could not have chosen a better person for its "Outstanding Citizen Award." Truly, Mr. Sierra Madre all the way, fighting for what is best for its people, ever mindful of the youth of our area and their welfare in future recreation.

— CT —
It would seem to me that the committee really picked themselves out a tough job for this assignment, especially for the first one, but as I understand it, they were perfectly organized. Sat down and made out a list of rules and regulations even before they looked over the recommendations. This shows me that they wanted to do the very best job possible without prejudice. They picked a fine man, one that all of us will be proud to point to and say he is "Our Outstanding Citizen for 1966."

— CT —
Well, Valentine's Day has come and passed, and this year I only received three nasty Valentines. Things are certainly looking better for 1967, either that or the people are just plainly giving up.

— CT —
The final count on our subscription drive is now all in and we find that during January and first two weeks in February, we had exactly 1031 renewals, and added a total of 641 new subscribers and dropped 63 old ones. We appreciate the confidence and fully realize that now we have over 12,000 reading the paper each week, and this is quite an obligation for us, but we will be in there pitching all the way.

— CT —
We will close out the week with this sage remark . . . "We shall need all the wisdom we can muster to see to it that our present interesting period in history really marks an end of man's beginning, not a beginning of man's end." I do hope, I hope, I hope.

Bill Wark Selected Citizen of the Year

such magazines as Sunset, and the Sierran, as well as the major dailies throughout the state. He is also an active member of the Sierra Madre Search and Rescue Team since 1951.

Bill Wark has long been a staff writer for the Sierra Madre News, and its publisher states that all through the time he has known Bill, he has found him to be a person that is first for the "Mountains and Sportsmanship," and the desire to leave the beauty of the mountains to his children and yours for their enjoyment throughout their lives. Even today, with the Wilderness Area so designated, Bill has taken the job of patrolling the area, that none shall trespass to harm the beauty of the area.

The committee making the selection consisted of Jerry Asher, chairman; Douglas Delahouke, Jim Cook, Lola Rudbach, Ben Wightman and Dotty Underwood, all of who met at the home of Lola Rudbach on the evening of January 26.

Prior to their opening the ballots and reviewing the name, they spent the first minutes of their meeting setting forth the ground rules by which they would make the selection. At the opening of the ballots these

Among the students whose art work is now on display at the Education Center of Wilson Junior High School are the following: Lucinda Bottorf, Jeff Delman, De Ann Emerson, Jill Simons. Youldon C. Howell, coordinator of art education commented on the current display, "I don't know when I have had an exhibit that has created as much comment."

Shakespeare Club Discusses Music

The Philanthropy Department Sports Section of the Pasadena Shakespeare Club meets Thursday 10 a.m. February 23 at the home of Mrs. Kenneth H. Scott, 4903 Hampton Road, La Canada. Luncheon hostess, Mrs. Anderson C. Ong, Mrs. James C. Chambers, president.

Classic vs. modern music will be discussed at the Piano Study Group meeting at 2 p.m. Friday, February 24, in Stratford House, Pasadena Shakespeare Club. Ensemble piano playing and creative music writing will be given. Mrs. George Burks Goodlander, chairman; Mrs. James C. Chambers, president.

Col. Roland Jehl Receives Second Medal By USAF

Colonel Roland R. Jehl, whose mother is Mrs. Byrd Vale of 122 N. Baldwin, has been decorated with his second award of the U.S. Air Force Commendation Medal at Mactan Airfield, Philippines.

Colonel Jehl was awarded the medal for meritorious service as deputy commander for matriel at Pope AFB, N.C. He was cited for his outstanding ability, leadership and devotion to duty.

He is now at Mactan as a member of the Pacific Air Force, the nation's combat-ready air arm guarding the 10,000-mile Bamboo Curtain.

The colonel, who received his commission by direct appointment, served in the European Theater of Operations during World War II.

A 1938 graduate of Memphis Tech. High School, he attended Memphis State University.

Colonel Jehl's wife, Sue, is the daughter of Mr. and Mrs. Samuel Safafian of 16196 Inverness, Detroit.

Look for your neighbor in church this Sunday.

'Student Night' Host Student Accountants

The San Gabriel Valley Chapter of the National Association of Accountants will feature "Student Night" on Thursday evening, February 16, at an inn in El Monte.

Nineteen accounting students from various colleges and universities in the San Gabriel Valley will be guests at the meeting. Mr. B. P. Kirkpatrick, partner in the Los Angeles office of Arthur Andersen & Co. will speak to the students, members, and guests on the subject "Your Stake in Accounting Principles."

The National Association of Accountants was founded in 1919 and is essentially an educational and research organization in the field of management accounting. Today it is the largest accounting organization in the United States. The San Gabriel Valley Chapter was organized approximately one year ago and has rapidly grown to over 250 members. Any accountant living or working in the area is invited to attend the dinner meeting. Reservations can be made by calling Pat Toomey at 282-4753, or Gene Thomas at 623-2131.

The Tuition Story

The California Taxpayers' Association has recommended reasonable tuition be charged at the University of California and the state colleges and that the junior colleges be taken off property tax support and placed on full state support.

Removal of the junior colleges from property tax was favored since tuition at the university and state colleges will force more student into doing lower division work at junior colleges. Without the change, the property owner would find himself with additional burdens instead of fewer.

To achieve greater efficiency and economy, Cal-Tax also recommended that adult education classes be removed from the college system and put in high schools where the cost is less.

A change also was recommended in the Education Code so out of state students cannot qualify for resident fees after one year at the university or state colleges.

The tuition fees should be related to actual costs of instruction with a ratio maintained between non resident and resident fees at all levels and adequate scholarship and subsistence allowance program should be provided so no qualified student be denied an education due to lack of funds.

Further economies can result from elimination of marginal courses with low enrollment or through greater inter campus cooperation so these courses are offered in limited numbers.

Tuition fees at the colleges and university and removal of property tax support at the junior colleges also will help advance the Master Plan of Education by increasing junior colleges' responsibility where instruction costs less and by permitting the university and state colleges to stress upper division and graduate programs.

The report issued recently by Cal-Tax showed:
1. The quality of education in the university, state colleges or junior colleges is the same but costs more per student at the university, less at the state colleges and still less at the junior colleges.

Looking only at instructional costs per lower division student, it costs \$441 at the junior colleges, \$578 at the state colleges and \$709 at the university a year.

Upper division costs per student rise to \$781 in the state colleges and \$1,355 at the university. Graduate student costs rise markedly, partially due to the kind of laboratory and library requirements to \$2,295 at UC and \$1,098 at the state colleges.

2. In addition to having lower costs for instruction, the costs to parents is lower in the junior colleges because most are within commuting distance.

3. The junior college system can absorb many more students without creating a building problem. The junior colleges now are built to 149 per cent of occupancy and by 1969-70 will be built to 120 per cent of occupancy. There are some individual colleges where this percentage does not hold true but on a statewide approach it is.

4. There is an increasing number of part time students, inadequate ethnic and low income distribution in California's higher education institutions. There also is a proliferation of low enrollment, marginal value courses throughout the system. There is apparent lack of coordination between UC and the state colleges. One aspect of this is in the overseas campuses. In 1958 there were none and now UC has 12 and the colleges 10.

This also is reflected in competition in research.

5. Compared with the top industrial states, New York, Michigan, Massachusetts, Connecticut, New Jersey, Indiana, Illinois, Pennsylvania and Ohio, California ranks first in per capita income, property taxes and all taxes. Californians also rely 86.3 per cent upon the state higher education institutions for college education. Only Michigan with 81.3 per cent is near and all others are a third to half as low. Massachusetts is lowest with 24.2 per cent in public and 75.8 per cent of its students going to privately supported institutions.

Coincidentally California gets the bulk of its out of its out of state students from these other industrial states.

6. Out of state tuition is charged only for the first year as California's law defines a resident as one who has been a bona fide resident of the state for one year. Thus after the first year at a California college or university, the student can qualify for resident fees. A great many out of state students also have tuition fees waived.

7. Fees at the University of California and the state colleges are inflated and not all necessary. The health fee is a fixed cost and is not related to enrollment in the university.

At UC 20 per cent of the \$245 fee goes to capital outlay and debt service on such items as stadiums and student centers. Such a fee portion should be looked at by itself and not as a part of mandatory charges for supporting the university.

8. To improve education of the poor, subsistence grants are needed in addition to scholarship funds. In the past two years four new federal programs and one new state program have been added for scholarships, bringing the total to eight. These are in addition to private scholarship and loan programs and teaching fellowships.

9. There is indication of need for greater uniformity and coordination. UC figures for graduate students are not comparable to other enrollment since it counts all persons taking even one course as a full time student.

10. Out of state tuition is charged at all institutions. This is \$309 at the junior colleges, \$600 (plus \$96 in fees) at the state colleges, and \$980 (plus \$225 in fees) at the university. At UC 35 per cent of the graduate students are non residents. California ranks among the lowest on charges for resident students among public institutions and is markedly below private institutions even when comparing the out of state tuition fees.

11. Property owners through taxes now pay \$137,065, 209 for support of junior colleges in California. The balance of the total operating cost of \$239,779,853 comes from federal and state sources. Thus the state will have to pick up at least \$137 million the first year if junior colleges are to be taken off property tax support and this is to be used for property tax relief. Capital outlay and debt service on bonds will amount to another \$19 million.

12. Property tax relief would be a coincidental result of the program for greater coordination. Tax rates vary from junior college district to junior college district but the mean rate is 52 cents per \$100 of assessed valuation. All authority to impose a property tax for general education needs should be removed from the codes. Only taxes for community service or non educational programs should remain in the code.

FREEDOM AT ANY PRICE

by
DR. HENRY V. WITTY

Management of this newspaper is not capable of answering questions to this column; however letters to the editor will be published. Recent weeping, wailing and gnashing of teeth over the dismissal of University President Clark Kerr brings to mind some thought-provoking questions.

Do the noisiest (the most liberal) of the present crop of academic mourners sincerely possess the tender, loving feeling that they publicly profess to have toward their departed brother, or are their loud verbal distortions the result of a cold awareness that by Kerr's demise the free and easy practice of academic license they have enjoyed under his administration might come to a screeching halt or, at the least, be substantially curtailed? (And by the free and easy practice of academic license this writer means the teaching, advocating, participating in or condoning filthy speech movements, campus revolutions, anti-Vietnam propaganda and demonstrations, burning of draft cards, homosexuality, pornography and free sex — all practiced and taught under the respected canopy of academic freedom.)

Was Kerr really the victim of partisan politics? Certainly not! He was the victim of his own liberal background coupled with a left-wing educational philosophy. Kerr's past record more than indicates the reason he failed so miserably in his feeble effort to cope with subversion on the campus at Berkeley. Kerr's liberal philosophy could not and would not allow him to take the necessary disciplinary action.

The California Senate Factfinding Subcommittee on Un-American Activities, headed by Democratic Senator Hugh Burns, conducted an investigation of subversive infiltration at the University of California at Berkeley. In a written report of the investigation the committee had this to say about Kerr: "We believe (Kerr's background) an indispensable part of this report and has a direct and pertinent bearing on the innovations that characterized Kerr's administration, both as Chancellor at Berkeley and later as President of the University. The tolerance of the radical student groups, the opening of the campus to Communist officials, the reluctance to curb the activities of the most brash and defiant student rebels, and the obvious distaste for adequate security precautions, speak for themselves."

Kerr's complete disdain for the Factfinding Committee of the State Legislature is found in his own words: "... the committee has not communicated with me nor have I been on communicating with the committee. Moreover, I have no plan for communicating with the committee. Should problems ever arise from relations with the committee, I shall consult with faculty and student leaders on this campus."

And according to the committee's Thirteenth Report Supplement: "President Kerr not only did not seek such help but actually took steps that tended to prevent its being given. Beyond the failure to make use of the opportunities to obtain information through liaison with the committee, he made it appear that such liaison was unnecessary by stating to a group of Regents and the chairman and

Cobwebs

Ten Years Ago:
Feb. 14, 1957

The Sierra Madre Chamber of Commerce, at a special Board of Directors meeting yesterday, affirmed its faith in the local citizenry to work out a fair solution to the current controversy over religion in the public schools.

The American Quakers, also known as the Friends Church, along with the support of other faiths, raised \$300,000 for the Hungarian relief and shipped more than a half-million pounds of supplies to the Hungarian refugees, Edwin A. Sanders, executive secretary of the Quaker organization's regional office, announced yesterday.

In Letters to the Editor there appears a letter in favor of the Christmas pageant being performed. The School Board just recently announced that there will be no play this year because holding religious pageants may be against the Constitutional rights of the citizens. Mrs. Emily G. Grockett wrote in her letter, "Article 1 of the Amendments to the Constitution states: 'Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof.'"

The local maintenance man for the Gas Co. observed, above the din of a yapping dog, "You know, a new dog food is going on the market" flavored with gas men and mail men's trouser legs."

Last week Herbert Hoover warned that inflation was bringing conditions similar to those just before 1929. President Eisenhower warned against inflation at his press conference.

Twenty Years Ago:
Feb. 20, 1947

From our view the Dr. Woehler dental offices under construction on Suffolk Ave. are rapidly taking shape. The roof, window and door frames and rough exterior appears to be well along.

A new bust of the late Franklin D. Roosevelt, which was recently unveiled at the Roosevelt Memorial Library in Hyde Park, New York, is one of special interest to our community because the sculptor, Gleb W. Derujinsky was once a fellow resident here in Sierra Madre.

Santa Anita Drive was declared to be a one-way street yesterday and there-

Letters To The Editor . .

Dear Editor:

We, the members of the VFW Post No. 3208 and the members of the Ladies Auxiliary sincerely thank you for the many favors you have done for us, not only during the past year, but ever since you became publisher of the Sierra Madre News.

Without your generosity our many projects would have gone unnoticed.

We appreciate your sincere interest in us.

—KARL HEIMBRUCH
Commander

Nan and Gerald Carlton are again alerted for Little League activity in addition to all else they are involved in, but claim the real family news is the birth of a baby girl to Nan's sister, Margaret Peligo Clements, who lives with husband Robert and two-year old son Todd in Del Mar, as Robert is stationed at San Diego. The baby girl, named Shannon Diane, was born January 27, day after birthday of two of the Carlton children.

The Betterment of People is Our Billion-Dollar Business

Villa Views

By
Toni Maurin

SYcamore 7-9634

Just found the grandest way to spend a vacation, that is if you happen to have good insurance or about a million dollars. All you have to do is go to the hospital.

Wishing you no bad luck, but if you do have to go, dollar for dollar there isn't a better bargain in town. Aside from your doctor and the countless volunteers that assist in the hospital do you realize that the staff averages out at about three people to take care of each and every patient.

Where else in town can you go where you have such service. You don't have to go to Japan to have someone give you a bath, they'll do it for you in the hospital, complete with a lotion back rub.

They'll do everything for you but brush your teeth and I suppose that could be arranged.

You'll have three lovely meals a day, and all the "druthers" you could ask for and no tipping the waiters. Matter of fact, there is even a way to beat the expense rap. If you can eat enough you can darned near amortize your final tab. Course you might have to spend the next year dieting to get rid of the surplus but it is such a bright spot in the day.

The nice part about being in a hospital is that in addition to taking care of what ails you, you are completely at liberty to indulge yourself for a few days and be pampered without question. For a little while time stands still and you don't have to worry about the washing and ironing and planning of meals. You are just as important as you'll ever be in your whole life because the entire staff is taking care of you.

As I said, if you have to go you might just as well be cheerful about the whole thing and enjoy it while you're there.

The Sierra Madre Villa group are waxing enthusiastic over the prospect of the new Pasadena Art Museum and are busily trying to inform all those that are not in the "know" about the past, the dynamic present, and the exciting future of the museum.

To further the cause, which was not fund raising, Mrs. William Baugh of Edgely Lane had a morning coffee on Valentine's day and Mrs. Skipper Roster of Barhite had an evening "Irish Coffee" party to interest the local neighbors in the museum.

Speakers came from the museum to give talks and to answer questions regarding the new museum that will move from the old Oriental buildings on Los Robles to the new Carmelita Cultural Center, where the concept of the museum itself will be one of empathy with the exhibits.

Although April will be the official "Know Your Museum Month," the supporters of the project are unable to restrain their enthusiasm.

When you stop to think of the cultural advantages that we have in this area it is really overwhelming. In addition to our modern museum of art we have the traditional galleries at the Huntington Library.

If your taste in art happens to run to the dramatic, we have the Pasadena Playhouse, for music we have our fine Pasadena Philharmonic, and if it's flowers, we have the Arboretum, Huntington Gardens, or Descanso. There is enough local culture to satisfy the most sophisticated connoisseurs.

If it's education you're seeking we have some of the finest high schools in the country and an outstanding junior college.

Have decided that March will be my own personal "Count Your Blessings Month!"

The Ray Bowmans have been looking forward very much to seeing the dog sled races at Big Bear because they have a husky in the family. Jan who goes to Wilson and Charles, Sierra Madre, will accompany their parents. The family are merely getting acquainted with this sport and want to learn what's required before they try to train their dog.

Races can be held even where there is no snow, using special sleds and dirt fields; matter of fact there are practice sessions held in the desert near Palm Springs.

You and Your Neighbor

by Mary-Madeleine Lamphier

Another family that took advantage of the weather to enjoy the desert recently were Mr. and Mrs. Walter Zaiss of 414 Ramona. They went to their cabin and trailer northeast of Barstow and of course took along Shirley and Jimmy, who both attend Sierra Madre. They saw promise of wild flowers blooming in about six weeks. Whatever the blizzard reports from the East, we seem to have early spring here, alright.

This past Sunday Mr. and Mrs. John Jackson of 1920 Oakwood Ave. joined Mrs. Jackson's sister and husband, Mr. and Mrs. Will Dootson of Corona Del Mar who came up to celebrate the anniversary of the sister's parents, Mr. and Mrs. Ray Jones and go with them to "Sounds of Music." Soon the Jacksons will be taking a trip to Crest Line, hoping to get in some skiing. They'll be accompanied by their children, Janice and Brett, and Mr. Jackson's brother, and family, the Will Jacksons of Northridge with Don, John and Debbie.

Renolds Cairncross, Jr. of 1015 Crestview Dr. and son Renny, who attends Don Bonita, were among the father-son teams who attended the recent gathering of the Gra-Y group at Big Bear Lakes, while sisters Carol, Pamela and Wanda stayed home with their mother.

Good prospect for future PTA is Mrs. Patrick Collins of 431 Santa Anita Court, but too busy with tiny ones right now to even think of civic sort of clubs. The Collins children are Peter, going on 3; the twins Katie and Joe, 1½, and Anne, 6 mo. You think you are busy? Consider twins sandwiched between a toddler and a baby! But with both sets of grandparents nearby, there's lots of family visiting; Mr. and Mrs. Fred Houston live in Altadena and Mr. and Mrs. James E. Collins live in San Marino.

The William De Prose family of 305 E. Laurel, which includes children Holly, Freddy and Bill, report that weather at Death Valley was like summer when they visited there ten days ago. They toured the whole valley from north to south.

Mr. and Mrs. Rupp find the first birthday of their first baby big news to them: little Heide celebrates this

The Roland Workmans of 390 Toyon Road will be celebrating another graduation any day now: daughter Claudia, who has majored in history, hopes to do library work when she leaves Cal State this month. Meanwhile son Eris has gone on to SC to gain his masters in biology.

Mr. and Mrs. L. E. Popp of 490 Fairview have just returned from a whole week of skiing at Aspen, Colo. Mrs. Popp's mother, Mrs. Marjorie Cort of Pasadena is minding the children, Greichen, Walter and Warren. With 14 grandchildren to take turns with, guess Mrs. Cort has a practiced hand at this.

Charles and Marjorie Peterson are looking toward camping in the Black Mountains again, nudged by the weather. They are at present very much enjoying as house guest their nephew Ronald Crawford, here from Phoenix to work for JPL's "Mariner" program. They are also looking forward to the ninetieth birthday celebration next month of Marjorie's aunt, Miss Minnie Stinman, on March 16. Miss Stinman, who was a country school teacher in the mid-west before she came to California was the kind of teacher who had a one room school house and taught all grades. She is famous here in Sierra Madre for her tutoring of children, and up till five years ago also had a half dozen she was teaching. Less known is that recently, till Christmas, she had been cooking and helping to care for an invalid neighbor who lived on her street. For friend who'd like to send a card for March 16, Minnie Stinman's address is 257 W. Laurel. The Petersons, who held open house for about 75 when Miss Stinman was 85 will this year be "quiet" and just invite family — mob enough, as many know.

Dr. and Mrs. Ralph Rogers allow as how they aren't planning any more 'round the world trips, at least not for some time. They did go recently to San Diego for the wedding of grandnephew Laird Lamdon, Jr. They have two grandsons in the Navy: David Miller, who has been in four years and over to Vietnam twice is now over here, waiting on a mine sweeper; his brother Carl has just finished boot camp and is a hospital corpsman.

The San Gabriel Valley Club of Alpha Gamma Delta will have its traditional "Punch and Brunch" party on Thursday, February 16 at 11:30. Mrs. Lester Gautier 1539 Meadowbrook, Altadena, will be the hostess. The salad potluck is to be followed by a business meeting.

On February 16, and though there won't be any grandparents on hand, they did get to meet her last fall when the Rupp's stopped off in Wisconsin after the two months work stint. Mr. Rupp's company asked him to do in New Jersey.

SIERRA MADRE

Take your problems to CHURCH this week -- millions leave them there!

A MATTER OF VIEWPOINT

THE CHURCH FOR ALL

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

What is as thrilling to a child as winter—and a nice fresh snow? But for an adult, shopping or working in winter weather, nothing is more miserable.

This goes for so many things. What looks good to one person looks terrible to another. What one person enjoys doing, another dislikes. What agrees with one disagrees with another.

There is nothing wrong with this. We have a right to our individual likes and dislikes, to our individual opinions. We also have the right to know the basic things in life, the truths that apply to everyone. These are the foundation blocks upon which all else is built. This is the kind of knowledge given to us by the Church.

If you have been thinking that church-goers are conformists—people who believe what they are told and let it go at that—then you've been making a mistake. Because a group of houses are built upon the same firm ground does not mean that each house cannot be separate unto itself. Because a man goes to church does not mean that he is one of a mold. Try it, and see.

An APOTHECARY Weighs & Measures

to SAFETY FIRST and ALWAYS!

The Pharmacists at Hartman Pharmacy bring you this brief message. "Safety First" is a slogan often used to remind us of workday hazards, and it can also be wisely applied to matters of good health. Be safe and sure, always! Have each member of your family visit your doctor periodically. It only takes a few minutes to phone for an appointment . . . and just a short time for your family physician to give you a physical examination. Appearances can be deceiving . . . and this is often true where your health is concerned. Some early symptoms of illness or disease are apparent only to a knowledgeable professional . . . your family doctor.

However, these regular check-ups are your best assurance of continued good health.

Our Pharmacists are proud to be a part of and participants in the health teams of our city and area. We hope that you will rely on your own family doctor as the best source of health information. If your doctor gives you a prescription to be filled our Pharmacists will be happy to serve you from our complete stock of pharmaceuticals. And if your needs should extend to such sickroom items as thermometers or hot water bottles you will be assured of prompt, friendly and understanding help from them.

Our store hours are from 8 A.M. until 8 P.M. each day except Sundays and Holidays, but after hour prescription and emergency service is available for 24 hours EVERY DAY.

Airman J. Skiles Gets Promotion

James L. Skiles III, son of Mr. and Mrs. J. L. Skiles of 1018 Bond St., Neosho, Mo., has been promoted to airman second class in the U.S. Air Force.

His wife, Gail, is the daughter of Mr. and Mrs. Harold W. Higgins of 155 N. Baldwin Ave., Sierra Madre. Airman Skiles is an illustrator at Tinker AFB, Oklahoma. He is a member of the Military Airlift Command which provides global airlift, air rescue, aeromedical evacuation, air weather and air photographic and geodetic services for U.S. forces.

The airman, a graduate of Joplin (Mo.) Senior High

School, received a BFA degree from Kansas State College.

When Howard Morgridge showed those films on upgrading the looks of a city at the recent Community Understanding Conference, he urged conservation of natural assets, working with nature rather than against it, in every household or commercial unit. Well, now — he should just see how conservation works in this town . . . all those Christmas decorations, for instance, made from old tin cans or bottle tops. Why doesn't someone have a "Re-Use Fair"?

You and Your Neighbors

by Mary-Madeleine Lamphier

supported by the Shafter Dam.

Jack and Lucille Washburn of 3625 Greenhill are looking forward to their planned week of skiing at Mammoth in March accompanied by neighbor friends Barbara and Bart Steve, doubly so since hearing the report from daughter Marcia who went up for a week during PCC semester break. Son Mike will get there mid-February with the PHS ski club. Kenry, 12, skis, too — nice thing is that the whole family skis at about the same level. Naturally they are also water skiing fans, too, pursue this sport at Lake Shafter, up 1000 feet,

Wilson Jr High Honor Roll Has Many SM Students

Wilson Junior High has a fine long list of local students whose attention to homework has really paid off.

The following students residing in Sierra Madre have been placed on the Scholarship Roll for the second quarter of the school year.

Seventh grade: Barbie Bevington, Paul Campbell, Debbie Caters, Vicki Clancy, Debbie Cohen, Betty Colbert, Jim Dancy, Patty Davis, David Denison, Stacy Dyer, Debby Edwards, Elizabeth Geier, Cheryl Gordon, Germaine Guyod, Linda Hill, Gail Hunsicker, Laurie Hustedt, Jennie Jacobsen, Aviva Katzman, Bonnie Koy-matsu.

Eighth grade: Robert Ansara, Cheryl Bawden, Gretchen Beilstein, Cindy Botorf, Elizabeth Cheadle, Jeff Delman, Carolyn Denslow, Debbie Fratt, Sally Hensel, Svetlana de-Kansky, Elizabeth Kubota, Sophia Kubota, Lynda Leonard.

Ninth grade: David Lindberg, Gordon Mitchell, Joe Morrissey, Nancy Nelson, Nancy Nomura, Reed Schaper, Jill Simons, Jill Simpson, Kathryn Sutton, Bob Van Ness, and Nancy Williams.

Tenth grade: Neil Allaire, Jenny Capelle, Lydia Caters, Cindy Chin, Debbie Cooper, Lucinda Dauben, Debbie Dennison.

Lorraine Moore, Kathy Porter, Debbie Ribbens, Nancy Rule, Lisa Seegmiller, Kent Taylor, Betty Jo Tilley, and Fred Wesley.

"Let's Talk Dry Cleaning"

by Joseph Delgatto Jr.

Far be it from us to encourage a woman to go through her husband's pockets . . . but that's just what we do suggest when it comes to having his clothes cleaned! Of course, she has to go through her own pockets, too . . . because both sexes are equally prone to send things off to the cleaners without checking to make sure all pockets are empty.

Some things cleaners find in pockets are dangerous — matches for an obvious example. Other items if not caught could result in disaster for the clothes . . . things that stain like pens, lipstick, candy and so. And then there are often valuable forgotten in pockets . . . everything from loose change to wallets to jewelry.

Naturally, we make a point of checking all the pockets of any clothing we receive . . . but for your own peace of mind, and to make sure nothing is lost, make it a habit to empty the pockets before you have anything cleaned!

For thorough, prompt and responsible cleaning service, make it a habit to bring your clothes in to us. You'll like the way you look when you do!

YWCA Annual Flower Show

The Pasadena Young Women's Christian Association will present its second annual Flower and Design Show '67, "The World in Bloom" on Saturday, February 18, from 2 to 9 p.m. and Sunday, February 19 from 11 a.m. to 6 p.m. at 78 N. Marengo Ave., Pasadena.

Exhibits will be presented by professional and amateur hobbyists, gardeners, designers, interior decorators, service organizations and garden clubs.

Entertainment will include drama by the "San Marino Players" on Saturday evening. Preview buffet will be held Saturday, February 18 at 11 a.m.

For further information phone the YWCA 793-5171.

Family Games

by John Skinner

Question: Should you reason with children or punish them?

Parents often confuse punishment with discipline. The two words are not identical in meaning although they are interchangeable often.

Punishment is imposed for wrongs which are committed intentionally and willfully. Discipline has the same meaning as disciple and means to lead, teach, instruct and guide another who is learning. While we have forsaken the ancient advice to spare the rod and spoil the child, many parents leaned too far forward in reasonableness until they fell on their faces.

When Susie was three, going on four, she often defied rules and regulations at home, after which she asked, "Do you love me?" Her father always said he loved her but not what she had done. During this same period, she once told him when angry, "I don't love you anymore." He decided to answer her in her own terms the next time she questioned him about her wrong-doing. When she asked next, "Do you like me?" he said, "Not when you act that way." She answered him immediately, "Then I won't do it anymore."

He had been too reasonable with her. She was asking for a guide, for direction, and for a goal for herself as a young child. He permitted her a freedom which she could not understand or use at her age. When he withdrew his approval, as she was doing, she understood him and gave him the behavior which he expected of her.

Discipline which depends on using the natural relationship which children develop with their parents teaches, leads, guides and instructs. It is encouraging rather than discouraging. Such discipline is neither reasonableness or punitiveness. It is based on the assumption that children will give their parents the behavior which is expected of them because the parents are loved as the child is loved.

PERMANENT WAVE \$10.00

20 W. MONTECITO in Sierra Madre

SM Woman's Club Has Monthly Tea

Sierra Madre's Woman's Club holds its tea meeting for the month of February at 2 p.m. on the 22nd in the Clubhouse, 270 W. Sierra Madre Blvd.

At this time Helen Hohl will give her lecture, "Fads and Facts in American Fashions," illustrated with dolls dressed in costumes authentic for the times they represent. Interesting comments on the manners, modes, morals and amusements of each era are shown at this patriotic event which falls on the birthday of one of our most highly honored patriotic figures, George Washington.

Tea arrangements are by Mrs. Georgia W. Kirby and Mrs. Vera W. Purinton and their committee.

Boy Scouts Get Sermon At Congregational

"Boys Will Be Boys," a sermon for Boy Scout Sunday, February 19, will be delivered by Rev. David G. Howell at the 10 a.m. worship service at Sierra Madre Congregational Church, when members of Boy Scout Troop No. 373 and Scoutmaster Neil Smith, their families, and the troop committee will be guests.

A coffee social hour will follow the service. The Lenten Meditations will continue on Wednesday evenings at 7:30 with the sermon series on praying the Lord's Prayer. All are invited to attend.

A car wash is scheduled by members of the Junior High Fellowship on Saturday, February 18, from 9:30 a.m. to 4 p.m. at the church for \$1 per car. Proceeds will help the young people with their future planned programs.

You and Your Neighbors

by Mary-Madeleine Lamphier

Just to give you some idea of how excited and thrilled the Ranney Adams Jr. were about the arrival back home from Germany at long last of son Ranney Adams the III, his German wife, Elisabeth and their baby daughter Patty, why when they were at the airport they didn't even notice that Judy Garland was there! Their joy is understandable, for it had been four years since their son was in the U.S. they'd not met his wife nor the baby, who celebrated her fourth month birthday a week ago Sunday. Friends will remember that the Adams' parents, who live in Arcadia technically (though spending practically half their time and two-thirds of their money in Sierra Madre) had bought a house here at 190 N. Lima some months ago, expecting them here earlier.

At any rate they're happily settled in it now, and even Johnny over at Roberts Market is being helpful — he speaks Deutsch. Elisabeth is a native of Madau, Germany, where her husband was stationed while in the Air Force, and then had worked for electronic engineers there.

Mrs. Frank Chavarria of 313 N. Lima reports that son Tom, stationed at Camp Carson, Colo., made corporal before he was 21. He's in artillery, special weapons, has 50 boys under him. He got home on leave over the holidays, expects another in June, and then will be out and home for good by next Christmas. He must seem like a man to his parents as well as to the raft of admiring little brothers and sister he has.

Mrs. Louise Dewar of 154 Santa Anita Court — and

the Woman's Club — had some pleasant family visiting recently. Her daughter Janet, married to Navy pilot Lt. David Hand, came here for a week's visit, and then her mother took her home to Monterey, stopping off at San Jose to have a visit with daughter Elena, who is married to Alfred Perez. Lt. Hand, who has already put in two years in Vietnam, is due to be transferred soon to be an instructor training pilots, but the family doesn't know where the new post will be yet.

Peggy Cheadle says that her being on jury duty accounts for the family's very quiet life at present. Nonetheless she and Carl had a pleasant time this past weekend at Palm Springs, and though it was a business trip, it was a welcome change.

Mr. and Mrs. Price Keeler, of 3580 Fairmeade spent the past week in Hawaii but they certainly couldn't claim escape from weather, with the Eden we've been having recently. Last year around this time they were more than somewhat involved with the Eugene Field PTA show.

While Mrs. Severin Sorenson of 233 E. Orange Grove was happily giving details on the phone about the birth of yet another grandchild, she was keeping one wary eye on another, son of Mr. and Mrs. John Sorenson of Altadena, who was busy trying to dismantle her cuckoo clock. Takes practice to be a grandmother, but this Mrs. Sorenson has; the new grandson, child of the couple's son Severin and his wife Peggy, who was born on January 24, was this couple's fifth child.

14—SIERRA MADRE NEWS
Thursday, Feb. 16, 1967

Verdugo Board Winter Session

The Alumnae of Verdugo District Board will meet in winter session on Friday, February 21 with a noon luncheon in Pasadena. Speaker of the day will be Mrs. Walter Koenig of Altadena who will discuss current aspects of the educational picture. She will be presented by Miss Fran Alvarez of Glendale, program chairman of the club. The inspirational message will be given by Mrs. Leif Enderude of Altadena.

Mrs. J. B. Atkinson, alumnae president announces a Prayer Luncheon to be held at her home on March 7. Following luncheon, the group will travel to the Angeles National Forest Headquarters for a Conservation Conference under the direction of Don Porter, director of information and education for the Angeles.

Pvt. Nick Salazar Serving Famed 9th Division

Nicholas T. Salazar, 19, son of Mrs. Anne I. Gurule, 169 Santa Anita Court, has arrived in Vietnam with his unit, the 9th Infantry Division.

Pvt. Salazar is a cannoneer in the "Old Reliable" Division which was last stationed at Ft. Riley, Kan.

The famed 9th Division earned its reputation as the "Old Reliable" in World War II by crushing the Axis forces in North Africa, Sicily, and Central Europe. The 9th boasted four Medal of Honor winners in World War II.

He is assigned to Battery B, 1st Battalion, of the division's 84th Artillery. The private's wife, Sandra, lives at 265 Ramona.

Out of the Cobwebs

fore anyone driving on the wrong side of the divided road is automatically responsible in case of accident, according to Col. Lynch, president of the Greater Los Angeles Safety Council.

Balling Baby Shop in Monrovia has some very smart new styles in just now. You know how gals go for "push up" sleeves. Well, they just received some new wool coats with the three-quarter length "push up" sleeve. They have the new rage in too, bloomer girl sun suits for children. There's always something new there!

A "Prowler with a flashlight" call to the police station was cancelled when a lady found that her husband was doing a little snooping last night. Maybe he had something hidden.

Thirty Years Ago

Post Office has news; a new 3-cent stamp, Army & Navy stamps, which went on sale yesterday in Washington, D.C., will be obtainable here probably by the end of the week. Also, because of the increased volume of outgoing mail the evening mail deadline has been moved up from 5:15 p.m. to 5 p.m., says Postmaster Calkin.

More than a hundred well known Sierra Madreans had signed a call last night for a Town Meeting to be held in the City Hall at 7:45 p.m. Monday to protest against the proposal to increase membership of the United States Supreme Court and make the nation's highest tribunal subservient to the executive arm of the government.

The Chamber of Commerce is putting together a city folder which will show photographs and give descriptions of different local sites of interest. There will be a special section of the year's fete which will be done by the Wistaria Association and given to visitors who come to our community every year for this event.

Over two hundred Japanese Nipponese delegates will be hosted here for a few days while attending the Bethany Church Conference. They will be entertained by the members.

An observation platform is the latest addition to the improvements now being made at Scenic Point, in preparation for what is confidently expected will be the most elaborate and beautiful Wistaria Fete in the city's history.

There's elections for flood control next Tuesday. Remember: nothing counts but votes. The majority of residents in the Los Angeles area are strongly in favor of flood control measure; those that are opposed, in all probability cannot be changed.

The Sierra Madre Chapter of the Red Cross Society are now forming first aid and home nursing classes. Those

interested are asked to call Miss Edith Blumer.

The Women's Christian Temperance Union will have a meeting on Friday, February 23 at 2:30 p.m. The speaker will be Mrs. Wood-Davis who will speak on "The White Ribbon that Belts the World." All are cordially invited. Gentlemen are welcome as honorary members.

Sierra Madre Garage has their new 1917 Ford Touring Car for \$415.70. Located at 37-39 Central Avenue or call Main 110. That's a real buy!

Here are some Saturday specials on at Norris' Cash Store. Butter 43-cents a pound, hamburger is 17-cents a pound, pork and pot roast is also on for 17-cents a pound. Don't forget their motto, "Cash Beats Credit."

The United States Supreme Court has just handed down its decision that billboards in residential districts may be eliminated according to a majority petition by the community. The long awaited decision went against the Thomas Cusack Company after six years of debate.
